

Pooja Tech

Complete Solutions

Pooja Tech Complete Solutions has been committed to creating a best-class manufacturing facility capable of delivering superior quality products to our clients. In pursuit of this objective, Pooja Tech Complete Solutions is providing customized products as per the client's requirement. All products manufactured at PTCS are done using good quality material of mild steel and stainless steel. We are empowered with an efficient workforce of skilled and dedicated staff.

Our manufacturing facility is located in District Mumbai, MH, equipped with the efficient machinery and all the work is done in house. While continuously increasing the production process, we also continuously improve the product quality.

We provide good quality finished products for very suitable prices. We would like to be one of your esteem vendors and offer the products of our company to your organization.
